We love to have children in our church. However if you need it, there is a **Creche for under 3s** available in the Chapel downstairs. You are welcome to stay and listen to the service there, or leave your child in supervised care. Please register your child there and give your mobile no. so you can be contacted during the service if necessary. **Children aged 3-15** leave part way through the 9.45am service for their own SKIDS groups. Please bring your child down to introduce them and also collect them promptly from their group at the end of the service.

If you would like someone to pray for you at the end of the service, the **prayer ministry team** is available at the back of the worship area during the 9.45am service. Please speak to one of the Ministry team for prayer at the 11.15 service.

Toilets (incl. disabled) are downstairs – along the corridor from the kitchen.

If you want to find out more please fill in a **Welcome Card** or speak to a member of the team.

St Andrew's Church, Goldsworth Park

MAF in Papua New Guinea (PNG) - We thank God for the wide range of work undertaken by MAF beyond just flying planes.

"Alpha 899 Alpha 899" MAF Technology Services (TS) David Feka calls into the HF radio he has spent the last two days installing in a remote mountain village. The excitement in his voice is obvious. "This is our first call-out from Guasa education radio. Do you copy me? Over". The excited group in the small room at Guasa Primary School listens intently. Suddenly an answer comes in the shape of Lukas Schadeegg, also of MAF TS. His voice comes through loud and clear from Goroka, 33 miles to the north of the school: "Yeah David. I copy you." With a grin David responds. "I can hear you crystal clear!" For MAF TS, these are literally the sounds of success.
